13 November 1975

Mr. A. Searle Field
Staff Director
Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Attn: Ms. Sheketoff

Dear Mr. Field:

In her letter of 23 October, Ms. Sheketoff stated that the Committee would like to know "if [] ever had his mail intercepted or if his name appeared on any list of people corresponding with Russia or Russian Agencies".

Mindful of the exceptions provision to the "Privacy Act of 1974" (Public Law 93-579 Sec 3(b) "Conditions of Disclosure", paragraph 9) granted to any committee of either House of Congress, the following is in response to that inquiry:

Agency records indicate that one letter from [] addressed to the Flight Commander, USSR Antarctic Flight Moscow to Mirny was intercepted on October 16, 1962. [] name did not appear on any list of people engaged in such correspondence.

Sincerely,

STATINTL
